Middle School Registration 2017-2018

We are trying something new for Middle School Elective Registrations- we will be doing it at the end of the summer, a couple of weeks before school starts.

We will be having a Registration Night on the 24th of August from 5:30-6:30. Students will be able to register for their elective classes on a first come, first serve basis. Any students who are not registered can be registered on the 28th at the Back to School Night. This should still give students plenty of time for back-to-school supply shopping.

With all of the flurry of registration changes that happen at each semester, the plan is to have students only register for the first semester. Students will register for the second semester right after Winter Break.

This will hopefully give students a better idea of what classes they *really* want to take.

Please let me know if you have any questions and have a great summer!
