

Dear Parents,

The Moscow School District Transportation Department will be offering an opportunity for you to ride the bus with your child prior to the first day of school. This program is available to students in Kindergarten through 3<sup>rd</sup> grade.

This will provide you and your child a chance to meet the bus driver and ask any questions you or your child may have about your student's transportation schedule. Due to laws regarding children being transported in child safety seats we will not be able to transport younger siblings of the students participating in this program.

Parent Ride Day will be Monday, August 28<sup>th</sup>, 2023.

If you have any questions regarding this program or anything regarding your child's transportation please call the transportation office at 882-3933.
